

# FAASteAM CFI Workshop Module 7

Flight Instructors, Ground Instructors, Designated Pilot Examiners, and Instructors in training are welcome and encouraged to attend. Join your flight instructor colleagues and take an active role in improving safety in flight training! This is CFI Workshop Module #7 in a series of 8 modules. In this module we will discuss and examine the importance of Effective Teaching and Flight Reviews!

**Directions:** RT 3 to exit 6b Carver Rd, LT on Montgomery Dr, RT on S. Meadow Rd to Gate 3 Alpha 1 Flight. Please pre-register to ensure you receive your WINGS credit.

## A message from the National FAASteAM Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
